OFFICE MEMORANDUM

Subject: Safe disposal of electronics waste

Electronic waste is the fastest growing waste streams in the country. It is, therefore, mandatory to ensure the safe disposal of electronic waste. The Ministry of Environment and Forests (MoEF) has notified the Hazardous Waste (Management, Handling and Transboundary Movement) Rules, 2008 for proper management and handling of hazardous wastes, including e-waste.

2. MoEF has advised all the Government Departments/ Offices that e-waste generated in various offices is essentially to dispose of in an environmentally sound manner in accordance with these Rules. As per these Rules, the occupier has the responsibility for safe and environmentally sound handling of such wastes generated in their establishments.

3. Further, the units handling and engaged in activity like collection, segregation, dismantling and recycling of e-wastes are required to register with Central Pollution Control Board (CPCB). At present, there are 16 dismantlers/recyclers registered with CPCB. A list of registered recyclers is enclosed and is also available on the website of CPCB (<http://www.cpcb.nic.in/divisionsofheadoffice/hwmd/e-Waste.pdf>).

4. A strict compliance to the directives may kindly be ensured.

This issues with the approval of Secretary, DIT.

(Dr. Krishna Kumar)
