

**LET'S CELEBRATE ONAM RESPONSIBLY**  
WITH THE POWER OF TECHNOLOGY

---

### Greetings from Kerala IT Parks!

Once again, Onam is round the corner. We are all ready to set aside our worries and welcome this hopeful festive season. Let's share our joys and happiness, and celebrate Onam in all its fervor with all our family members, but virtually by staying at home. Yes, let's keep the spirit of Onam alive, but this time let us celebrate responsibly. Wishing a healthy, prosperous, and joyous Onam, from our family to yours.

As India celebrates its 75th Independence Day amidst the crisis, Kerala's IT parks, keep celebrations minimal in accordance with the COVID protocols. On this occasion, our CEO, Mr. John M Thomas has a special message for techie-zens.

## Accelerating the digital mission - IBM Software Labs coming to Kochi

After a virtual meeting with Sandip Patel, Managing Director - IBM India, and Gaurav Sharma - VP of IBM Software Labs, Hon'ble CM Shri. Pinarayi Vijayan has announced IBM's proposal of expanding their Software Labs to Kochi. This news brings great hope to Kerala's IT sector.

## **Kerala IT satellite parks rise to prominence - Has the pandemic proven to be a blessing in disguise?**

Another exciting news for IT employees! Companies are planning to introduce 'Work near home'. Existing companies from Infopark Kochi and their likes are likely to set up base at satellite campuses like Infopark Thrissur in Koratty and Infopark Cherthala to make the work scenario even more feasible for employees.

## One more step closer to empowerment - Device Donation Drive in Infopark, Koratty

Zapare Technologies of Infopark, Koratty, also conducted a device donation drive in an attempt to bridge the digital divide in the post-COVID education system. As part of the program, they sponsored smartphones to students facing difficulty in participating in online classes due to the lack of access to technology.
