

EXPANDING THE HORIZONS

We are excited and thrilled to welcome yet another big name into our fold. Geo Group will be investing around Rs 160 crores to construct a triple tower 12 storey building with approximately 7 lakh sqft built-up area in Special Economic Zone, at Infopark Kochi to promote IT growth in the state. The groundbreaking ceremony was attended by many dignitaries. This follows close on the heels of other big groups such as Embassy-Taurus, Brigade Enterprises and Lulu being part of our expansion plans. We hope these associations bring in more growth and opportunities in the years to come!

25 years of sweeping changes at Innoval Digital Solutions

Technopark : Through the eyes of designer

Rony M Peter, a graphic designer by profession and an artist at heart, has been working at Technopark for over 25 years. Being one of the first employees who has been accepted into the Park at its initial stage, Rony is a proud witness of the Park's remarkable transformation. Watch him talk about his experience working at the Park.

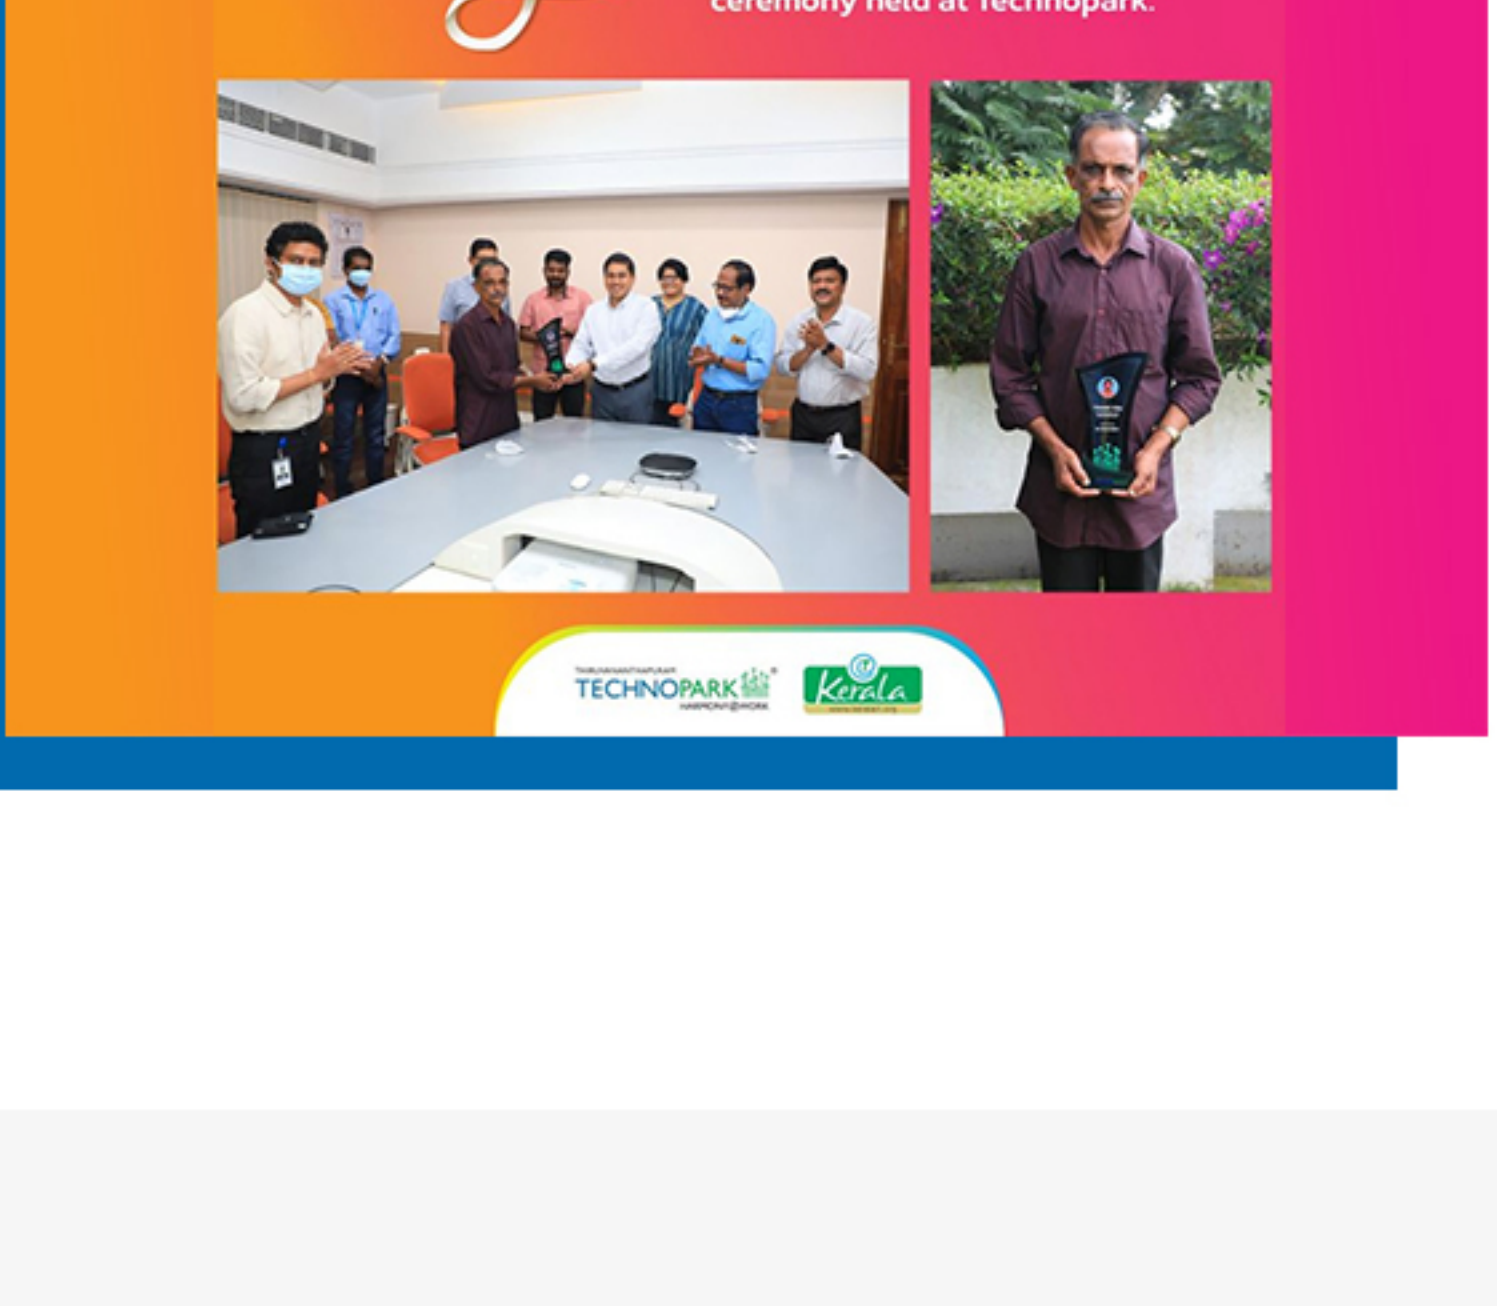

Has space been a constraint to farming?

We are bringing you a dynamic and novel project by which you can promote productive farming without space constraints. We have tied up with Kerala Horticulture Mission to install the Arka Vertical Garden developed by Bengaluru-based Indian Institute of Horticulture Research under 'Azadi ka Amrut Mahotsav' in front of Nila at Technopark Trivandrum. Let's wait for the harvest!

A grand farewell

At Technopark, we celebrate people who are dedicated and driven. R R Mohana Kuruppu, was one of the oldest employees of Technopark and his farewell was an event to remember. He had put in 32 years of service and had a lot of tales to tell. Here's an ode to this great security guard.
