Kochi: Key hub in GCC expansion wave

The expansion of Global Capability Centers (GCCs) is fueling growth in tier-II cities, with Kochi strategically positioned to lead this trend. This can be attributed to its skilled workforce, top-tier educational institutions, and business-friendly environment. According to a recent news article, GCCs in tier-II locations are projected to grow by 15-20% by 2025.

Infopark, nestled in Kochi, Kerala, is a government-owned IT hub established in 2004. Spanning an impressive 323 acres, it has expanded with additional campuses in Koratty (Thrissur district) and Cherthala (Alappuzha district). A significant portion of its land is designated as an IT/ITES-specific Special Economic Zone (SEZ) by the Ministry of Commerce and Industry. Today, Infopark hosts over 582 companies across its campuses, providing employment to more than 70,000 IT professionals.
